City: _____ State _____ Zip _____
(Mailing Address)

Water Account Number: _____ Service Address: _____

The City of Santa Barbara (City of SB) and Goleta Water District (GWD) are offering rebates to increase water efficiency in both the commercial and residential landscapes. Participation in the Smart Landscape Rebate Program is on a first-come first-served basis. **PROJECTS MUST BE APPROVED IN ADVANCE. THE PROGRAM IS NOT RETROACTIVE. LANDSCAPES FOR NEW CONSTRUCTION ARE NOT ELIGIBLE. Sales receipts and/or contractor invoices are required for all rebates.**

How Much Is The Rebate?

The program covers a portion of the cost of approved irrigation equipment and landscape materials.

- **Irrigation Equipment:** 50% of the cost of drip irrigation parts, sprinkler system efficiency retrofits and MP Rotator sprinkler nozzles.
- **Water-wise Plants and Mulch:** 50% of the cost of water-wise plants and mulch. Planted areas must be covered with a 3-inch layer of mulch.
- **Smart Irrigation Controller:** 50% of cost of the smart irrigation controller. Smart irrigation controllers work on a simple principle: provide the appropriate watering schedule; automatically adjust for weather changes; irrigate based on the needs of your plants.

Any combination of irrigation equipment and planting costs may qualify up to a one-time, maximum rebate of \$1,000.

How Do I Participate?

- Step 1:** Make an appointment for a “**Pre-Qualification Inspection**” site visit with a Water Conservation Program representative. If your project qualifies, you will receive the pre-qualified list of items eligible for rebate.
- Step 2:** The purchase and installation of all equipment denoted by Water Conservation staff under the heading of “Pre-Qualified Equipment” must be installed within **60 days** of the date of the Pre-Qualification Inspection.
- Step 4:** Call for a final “**Post-Installation Inspection**” appointment within **60 days** of the date of the **Pre-Qualification Inspection**. Receipts are required for all rebates. Ask your contractor for a separate invoice for materials stating: “Labor billed separately.”
- Step 5:** Be ready to show your finished project. Rebate check will be issued within 30 days of final inspection.

TERMS & CONDITIONS

1. The **Applicant** applying for the rebate(s) **must be a City of Santa Barbara or Goleta Water District customer.**
2. **Only Pre-Qualified Equipment** as determined by a Water Conservation staff member shall qualify for a rebate after installed.
3. The property receiving the Pre-Qualified Equipment must receive water from the City of Santa Barbara or Goleta Water District.
4. All Pre-Qualified Equipment and rebate amounts as detailed on this application are only **valid for 60 days** from the date of the **Pre-Qualification Inspection** as indicated on this form.
5. The purchase and installation of all equipment denoted by Water Conservation staff under the heading of “Pre-Qualified Equipment” must be installed within 60 days of the date of the **Pre-Qualification Inspection**.
6. The reverse side of this form must be completely filled out.
7. Applicant must attach a legible copy of a valid, dated sales receipt to this application to qualify.
8. Rebates shall be on a one-time basis per address or customer.
9. A Water Conservation staff member will conduct a **Post-Installation Inspection** of the property to verify model, type and installation within 60 days of the date of the Pre-Qualification Inspection.

Note: **Rebate amounts are subject to change without prior notice and based upon availability of funds.**

City of Santa Barbara & Goleta Water District

For more information call (805) 564-5460 (City of SB) or (805) 879-4626 (GWD)
or visit www.SantaBarbaraCA.gov/water

PRE-QUALIFICATION: You are pre-qualified for a potential rebate for City and GWD approved irrigation equipment and planting materials as denoted by staff on the table below under heading "Pre-Qualified Equipment". Once installed, (1) Complete the section under the heading "Installed Equipment," then (2) Contact the Water Conservation Office at (805) 564-5460 (City of SB) or (805) 879-4626 (GWD) for a post-inspection within 60 days of the "pre-qualification inspection" date.
Your **Pre-Qualification Inspection Date** is: _____

PRE-QUALIFIED EQUIPMENT					INSTALLED EQUIPMENT		
<i>(Official Use Only – Initial Inspection)</i>					<i>(Customer Use Only)</i>		
	Station(s)	Quantity	Type		Date Installed	Quantity	
Smart Irrigation Controller(s)					Smart Irrigation Controller(s)		
	<input type="checkbox"/>						
Pressure Regulator Equipment					Pressure Regulator Equipment		
Pressure Regulator	<input type="checkbox"/>						
Pressure Regulator Pop-Ups	<input type="checkbox"/>						
Rain Sensors *See terms & conditions of Rain Sensor Program					Rain Sensors		
	<input type="checkbox"/>						
Water Wise Plants *Only for replacing lawn or high water using plants					Water Wise Plants		
	<input type="checkbox"/>						
Mulch *Only for mulching 3" deep in area previously without mulch					Mulch		
	<input type="checkbox"/>						
Sprinklers *Only for replacing existing 2" or inefficient, old pop-up heads					Sprinklers		
4" or 6" Pop-Up Heads	<input type="checkbox"/>						
4" or 6" Pop-Up's w/ Check Valves	<input type="checkbox"/>						
MP Rotators					MP Rotators		
	<input type="checkbox"/>						
	<input type="checkbox"/>						
Drip Conversion	Quantity	Type	Area	Drip Conversion			
Recommended Equipment	<input type="checkbox"/>						
Recommended Equipment	<input type="checkbox"/>						
Recommended Equipment	<input type="checkbox"/>						

By signing below, you indicate that you agree to the "**Terms and Conditions**" of the Smart Landscape Rebate Program as detailed on this form. Please, note that any and all applicable rebates are only valid for a period of 60 days following the date of the **Pre-Qualification Inspection**. Once the pre-qualified equipment is installed it is the **applicant's responsibility to arrange a Post Installation Inspection** of the installed equipment by a Water Conservation Program staff representative within the 60 day period following the **Pre-Qualification Inspection**. Failure to comply with these terms and conditions and those detailed on this form are automatic grounds for disqualification from the program. To contact a Water Conservation Staff member call (805) 564-5460 (City of SB) or (805) 879-4626 (GWD) for a post-inspection.
